Grades - All the walk are graded as **Moderate**, except for the Friday morning walks which are **Leisurely**

- **Leisurely** - walks for reasonably fit people with at least a little country walking experience. May include unsurfaced rural paths. Walking boots and warm, waterproof clothing are recommended.
- **Moderate** - walks for people with country walking experience and a good level of fitness. May include some steep paths and open country, and may be at a brisk pace. Walking boots, and warm waterproof clothing essential.
- Walk gradings are provided as a general guide only. If you have any doubt about your fitness for a particular walk, please contact the leader in advance.
- Bear in mind the distance of the walk, regional differences in terrain and the possibility of bad weather, which can make a walk more difficult than planned.
- If you are unsure of your fitness level, try a short and easy walk first - it is much better to find a walk a little too slow and easy than to make yourself miserable and exhausted.
- Leaders may refuse to accept participants who in their opinion are inadequately equipped or unfit.
- All-day Sundays walks will usually have a lunch stop between 30 minutes and an hour. Participants should always bring refreshments - a drink and snacks.
