

## NORTHUMBRIA REGION.

**The Regions AGM will be held at 2pm on Saturday 7th February at  
Whitley Chapel in the Parish Hall NE47 0HB  
What three words: ///pull.shuttling.football**

All Ramblers from all our Regional Groups are welcome to attend. Whilst there will be some refreshments available you may like to bring your own packed lunch. An optional, short walk will precede the AGM.

Please note timings will be slightly different from previous AGMs

1. The walk will start from Whitley Parish Hall at **10:15am** and finish back at the Hall around noon.
2. Our speaker will precede the business of the AGM. He will speak from **2pm**

Paul Barrett of Rothbury & Northumberland Wildlife Trust will talk about access to the Rothbury Estate.

As many of you will know, The Rothbury Estate covers over 3,800 hectares right at the heart of Northumberland. It is a breathtaking place, with sweeping landscapes, starlit skies and abundant wildlife. The acquisition was backed by figures like Sir David Attenborough, with a large portion already secured and plans for regenerative farming and public access.

There will be an opportunity to make a donation to the Rothbury Estate project which will be entirely voluntary.

3. The AGM will follow our speaker and will finish around **4pm**.

I look forward to seeing as many of you at our AGM.

Very Best Wishes,

Richard

Richard Fletcher  
Chair, Ramblers Northumbria
