

This programme is for subscription paying members of the Ramblers Association. Non-members are invited to try 3 walks before deciding on membership. Grantham Ramblers walk some Sundays, Wednesdays and Thursday on the dates shown. All walks start at 10 a.m. and are graded moderate or leisurely. Please travel direct to the starting location leaving sufficient time to change into the necessary footwear. Please share cars if possible and people without transport should contact the leader. Park appropriately and consider other road users and local people. Stops for refreshments occur at the discretion of the leader and where suitable sites are available. Please wear clothing and footwear appropriate to the weather conditions and terrain. Dogs should be under control so as not to cause a nuisance to other walkers, general public and livestock. Dog faeces should be disposed of hygienically. **All members are responsible for their own personal safety. We recommend that walkers carry a card showing details of any medication, allergies etc and a contact telephone number. Cards are available from the members of the committee.**
