## Southampton

### Newsletter for January to March 2026

#### Group AGM

The group AGM took place on Friday November 21 at the Atherley Bowling Club, Southampton. 29 members attended. All the members of the committee were willing to continue for another year, but some posts are still vacant. The Treasurer reported that funds were healthy, and that he had again received this year a good donation from the Walking Partnership, a scheme that gives a payment to the Group when any of our members book a holiday with Ramble Worldwide.

After formal proceedings closed, there was a time for socialising. Ramblers 90<sup>th</sup> Anniversary was considered sufficient justification for a celebration cake - much enjoyed!

#### Footpaths

In the last newsletter, it was reported that the committee had discussed the setting up of a footpath maintenance team; other local Ramblers groups already have them. The proposal was agreed at the AGM and a dozen or so members have contacted Mark H-P to volunteer. Subsequently, Mark has approached Kate Martin at HCC. She is Community Engagement Ranger and is willing to give appropriate training.

Mark H-P is also continuing his footpath survey. After completing Ampfield, he intends to survey areas on the Waterside.

#### Walk Leader Registration

In July last year Ramblers announced that all walk leaders must either undertake the training modules on the website, or confirm their experience and self-certify, in order to continue leading. Our leaders have responded very well and nearly all our active leaders have registered and will be able to continue leading for the Group. A big thank you to all these leaders who are ensuring that we will still be able to offer such a full programme of walks.

## **New Walk Leaders**

The registration exercise described above has shown that some leaders, previously registered, are no longer active, and we are always looking for new leaders to come forward. Our established leaders are available to give help and support to anyone willing to 'give it a try'. Please talk to a committee member or an existing leader if you would like to help; the online training modules are not onerous and do give helpful tips.

## **Christmas walk and lunch**

This took place on Sunday Dec 7<sup>th</sup> at Brockenhurst. Despite the dire weather prospects, 24 members, suitably accoutred, arrived at the station car park for mulled wine, mince pies, etc. before the walk. Thanks to Kim & team for making the arrangements. John C led off the walkers at 10am in light rain, which soon turned to heavy rain. The group persevered and returned in time for the customary lunch in the Foresters Arms – but the afternoon walk was called off!

## **Southampton Group on The News!**

In December we were approached by ITV Meridian who were preparing a news report on the "number of steps necessary in order to stay fit and that walking just 7,000 steps a day can lower the risk of serious health problems". We agreed on the Friday morning walk, being led by Mark from Netley on December 12<sup>th</sup>, as being appropriate. Several of the participants were interviewed prior to the start, and then the group were filmed – more than once! - as Mark led off. The report appeared on ITV Meridian evening news on Thursday 8<sup>th</sup> January – well done to everyone involved. See photo below.

## **Titanic walking tour**

Following the success of the vaults walk, Kim has arranged another walk in Southampton. This will take in locations associated with the Titanic and will take place close to the anniversary of the sinking – on Tuesday 14<sup>th</sup> April, starting at 11am. The last date for booking will be Friday 10<sup>th</sup> April. The start point will be at a central point in Southampton; Kim will decide the best location and advise the members who book. The cost will be £10. Proceeds to the social fund. A booking form is at the end of this newsletter.

## **Evening Meal at Coriander Lounge, Thursday 26<sup>th</sup> March**

An evening meal has been organised for Thursday 26<sup>th</sup> March at the Coriander Lounge Indian Restaurant, High Street, Southampton (opposite Holyrood Church), arriving at 7pm in time to start eating at 7.30. A table for 12 - 20 people has been reserved. No booking form required. Please reserve your place[s] by contacting Kim Golder at [kimdecgolder@gmail.com](mailto:kimdecgolder@gmail.com) / text to 07717 852997. Bookings will close on Sunday 22<sup>nd</sup> March. The present menu can be seen on the restaurant website [www.corianderlounge.com](http://www.corianderlounge.com)

## **Other social activities**

Further ahead, a skittles evening has been arranged for Friday May 22<sup>nd</sup> at the Ship Inn, Redbridge. Put the date in your diary. Full details will be in the next newsletter.

The annual coach outing will be arranged for August / September; several destinations are being considered but suggestions from members will also be welcome.

## **Hampshire Area AGM**

The Area AGM will be held on Saturday 14 February at the Crosfield Hall, Romsey – hosted by Romsey Group. There will be a walk in the morning – around the waterways and alleys of Romsey. The walk will start at the Romsey Rapids car park at 10am. It will end at the car park at 12.30. Car parking is free at the Rapids for 4 hours. The meeting in Crosfield Hall will start at 2pm. Mark Lavenstein will attend the meeting, representing the Board of Trustees.
